 **St. Patrick's Day** 
March 17!

Celebrate safely! DUIs are no joke. According to the National Highway Traffic Safety Administration, “40% of all deaths in crashes between 2006 and 2010 involved a drunk driver during the St. Patrick’s Holiday.”

Designate, then celebrate safely!

Evans Recovery and Redevelopment Task Force

The City of Evans is bringing together residents, business owners, property owners and interested others to be part of a newly formed Flood Recovery and Redevelopment Task Force for the City of Evans. The goal of the task force is to include resident and community advice to create a new master plan for Historic Evans and the adjacent areas. The group will meet monthly throughout 2014 and into 2015. Thanks to these residents and area business owners who stepped up to help in this process.

All meetings are open to the public and are held on the 2nd and 4th Thursday of every month. If you are interested in joining the taskforce, you can print off an application at the following website: www.evanscolorado.gov/sites/default/files/fileattachments/flood_recovery_task_force_application.pdf

All applications can be dropped off at the City help desk or mailed to the address listed on the application. Applications will be reviewed by City Council and those chosen to help serve on the taskforce will be contacted.

★ COMMUNITY NEWS

Citizens Police Academy

The academy is designed to open channels of communication between citizens and police officers. It is also a means by which citizens can develop an understanding of the police role in their community.

The academy's objective is not to make officers out of citizens but rather to enlighten citizens with an accurate knowledge of the department's responsibilities and functions.

Citizens Police Academy classes are generally held one night per week between the hours of 6 and 9 pm. Most of them are held at the City of Evans Community Complex (1100 37th Street) but there are field trips to other locations such as the outdoor shooting range, the Weld County Jail, and the Weld County Communications Center. The Evans Police Department is currently accepting applications for the spring session of the Citizens Police Academy. To apply, please visit www.evanscolorado.gov/police/citizens-police-academy. If you have questions, you may contact the Evans Police Department at 970.339.2441.

Spring Cleanup Program Is Scheduled

Get a jump on your spring cleaning! The City of Evans will be conducting its annual **SPRING CLEAN-UP**, April 26-27 and May 3-4. The event will be located at 3323 1st Avenue in Evans and will be available for two weekends: April 26th-27th and May 3rd-4th from 8:00 am to 4:00 pm.

If you pay for your trash service through your water bill, you will find two complimentary vouchers in April's newsletter, good for one trash pickup each. If you do not pay for the trash service or are in need of additional vouchers, they may be purchased at the Evans Community Complex between 8:00am-5:00pm Monday-Friday, for \$5.00 each.

This program does not include commercial or industrial businesses or residential properties outside of the Evans city limits.
